

Bishop Baker's Easter Message 2008

My prayer for all the good people of the Diocese of Birmingham, your family members, and friends in my first celebration of Easter as your bishop, is that the light and life brought by the Risen Christ that first Easter cast light on any darkness among us caused by sin, suffering, and death and bring us the joy and hope that Christ promises to all His faithful disciples.

Have a blessed Easter Season!

Bishop Robert J. Baker
